

## **WORKSHOP ON 'ORIGAMI' FOR FIRST YEAR B. ARCH**

Sanjay Ghodawat University, School of Architecture, Atigre conducted a one day workshop on 'ORIGAMI', on 22/08/2019. The workshop was conducted for First Year B. Arch by Mrs. Archana Desai.

The workshop commenced by a brief introduction of the guest Mrs. Archana Desai

**AIM:** The workshop was conducted to learn the Basic origami skills & application in architecture.

**OBJECTIVES:** From the given exercise students should learn to develop a three-dimensional composition from papers.

The topics covered in the one-day workshop are as follows:

- 1) Basic introduction to origami.
- 2) Skills in origami & application.

The students learnt the Basic composition with paper. The assignment was given by using plane, shape and papers

*Prof. Archana Desai interacting with students*

Also, they were acquainted to make a composition which will be visually appealing and from this they further learnt the development from 2-dimensional composition to 3-dimensional composition which will be useful to make or to implement these components in Architectural Design.

Consecutively there were exercises based on the above discussed topics.
