

## **WORKSHOP ON FIGURATIVISM**

### **INTRODUCTION:**

Sanjay Ghodawat University, School of Architecture conducted an online Workshop on 'Figurativism' for First Year B. Arch. Students ,by Ar. Dhanashri Mirajkar , Associate Professor and International Collaborations coordinator, MITADT, Pune ,on 1/06/2021, from 9am to 5 pm.

The Workshop commenced with a brief introduction of guest Ar. Dhanashri Mirajkar by Ar. Seema Patil, Associate Professor at School of Architecture

### **Aim –**

The Workshop was conducted to learn Transformation of natural form to design form.

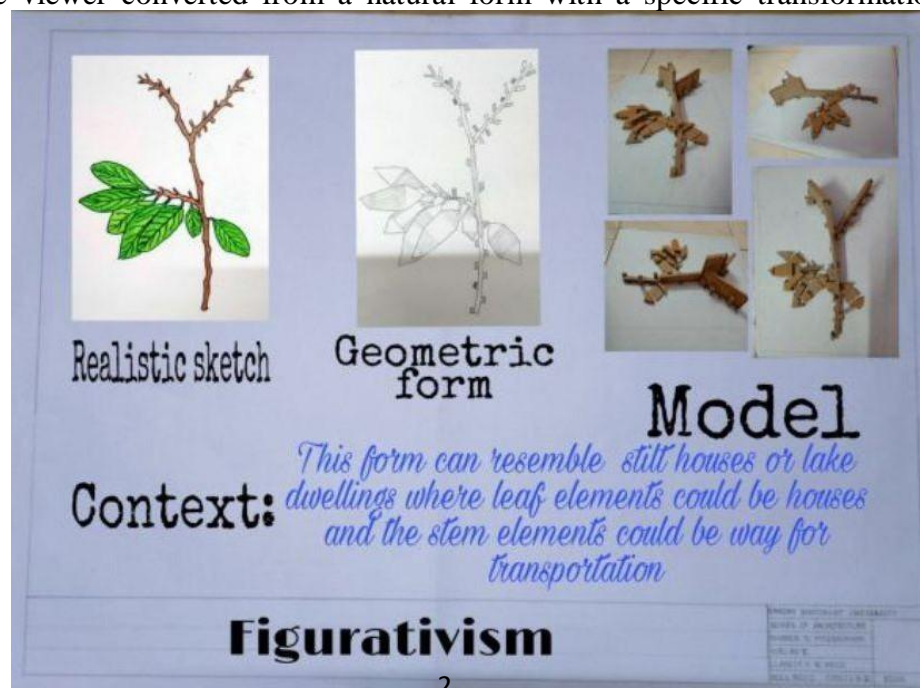

### **Objectives –**

The topics covered in the Workshop are as follows:

- 1.Understanding proportions and geometry of natural forms.
- 2.Understanding the anatomy of natural forms.
- 3.Revealing and unfolding the composition of the natural form

### **Output**

A designer utilitarian object with perfect proportion having strong emotional and aesthetic impact on the viewer converted from a natural form with a specific transformational design process

Students incorporated the knowledge gained from the workshop in their design projects.
