

WORKSHOP ON ‘SOFTWARE ORIENTATION’ FOR THIRD YEAR B. ARCH

Sanjay Ghodawat University, School of Architecture, Atigre conducted a one day workshop on ‘SOFTWARE ORIENTATION’, on 15/03/2021. The workshop was conducted for Third Year B. Arch by Mr. Sangram Zende

The workshop commenced by a brief introduction of the guest Mr. Sangram Zende

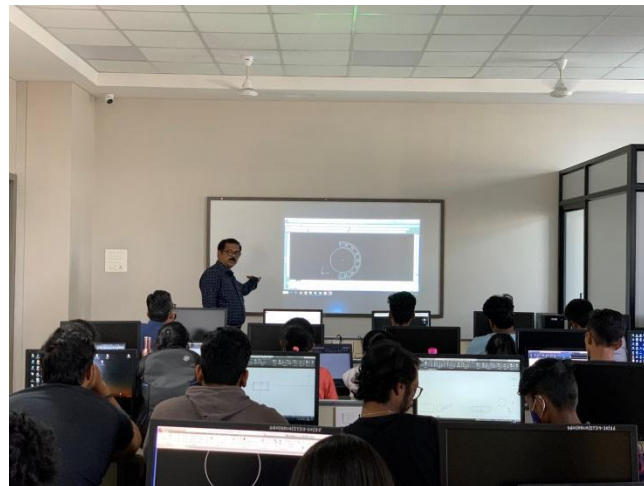

AIM: The workshop was conducted to learn software like AutoCad, Revit and application in architecture.

OBJECTIVES: From the given demonstration students should learn to develop the various software skills & their applications in Architecture.

The topics covered in the one-day workshop are as follows:

- 1) Introduction to AutoCad Software.
- 2) Introduction to Revit Software.

The students learnt the short keys , various ways of drafting in both the soft wares and also time saving techniques while drafting.

Mr. Sangram Zende interacting with students

Also, they were acquainted to use both the software as a user friendly tool for drafting the Architectural Plans, Sections, Elevations & various other details. The guidance of resourced and highly experienced guest’s students leant a lot about Software and its easy application.
