

School of Architecture

Online Webinar Series on Disaster Management

Introduction:

Sanjay Ghodawat University, School of Architecture conducted an Online Webinar Series on “Unpacking Disaster Studies: A Dive into the Basics of Disaster and Disaster Risk Management” for Fourth Year B. Arch. Students, by Ar. Bhola Saha (Assistant Professor at Royal School of Architecture, The Assam Royal Global University, Guwahati) and D. Saran Prakash (Research Consultant and Assistant Professor at DEI , Dayalbagh), from 04/09/2021 to 16/10/2021.

The program commenced with a brief introduction of the guest by Ar. Prathamesh Joshi, Assistant Professor at School of Architecture, SGU. And webinar was hosted by Ar. Mayuri Mahajan, Assistant Professor at School of Architecture, SGU.

Aim:

The first webinar was open for all the students from any schools/ colleges to give a brief introduction to the Disaster Management subject. From 2nd webinar onwards it was limited to the students who have opted Disaster Management as their elective subject. Aim for these lectures to create awareness and details for Disaster Management in practice.

Objectives:

The topics covered in the Webinar are as follows,

1. Disaster Risk Management
2. Introduction to Disaster
3. Approaches to Disaster Risk Reduction (DRR)
4. Applications, Case Study and Field Works

Output:

The students will able to get brief introduction about the subject ‘Disaster Management’, also introduced to the various terms and approaches to the risk reduction. Various case studies presented will be helpful while discovering the subject in PG level.
