

Sanjay Ghodawat University and Coursera for Campus Program

We are very happy to announce that our Sanjay Ghodawat University received confirmation from Coursera (American online learning platform) for their Campus Program in which our university students will be offered online courses to minimize the impact of the coronavirus on their education.

Visit the following URL for the web-page for our University

<https://coursera.org/programs/sanjay-ghodawat-university-gacbm>

Features of Coursera for Campus

- 👉 Access 3,800 courses and 400 Specializations
- 👉 Up to 5,000 licenses for enrolled students at impacted organization
- 👉 Institutions may enroll students in courses through July 31, 2020
- 👉 Students can complete courses through September 30, 2020
- 👉 Month-to-month extensions are available dependent on need
