The Doctoral Committee shall communicate the result of the Comprehensive Viva-Voce to the University through the DRAC as:

- a. The Committee is satisfied at the successful completion of Viva-Voce and the research scholar shall continue the research work. OR
- b. The Committee indicates the deficiencies in specific areas in which the research scholar needs strengthening of knowledge and suggesting a date preferably within the next three months for re-examination.
- c. If the Doctoral Committee does not recommend the continuation of research work by the research scholar even after the second attempt, the provisional registration of the research scholar shall stand cancelled automatically.

Ph.D.-17 CONFIRMATION OF Ph.D. REGISTRATION

Ph.D.-17.5 After the successful completion of coursework (Part-I) and the Comprehensive Viva-Voce (Part-II), the Doctoral Committee shall recommend to the University COE for issuance of notification to the research scholar on Confirmation of Registration.

Ph.D.-17.2 The Notification shall specify the date from which the candidate's registration for the Ph.D. program is confirmed.

Ph.D.-18 OPEN PROGRESS SEMINAR:

Ph.D.-18.1 Mandatory Pre-Ph.D. Seminars to be given

- a. Prior to the submission of the Synopsis (required under Part-III), each research scholar shall give two pre-Ph.D. presentations, commonly known as, open seminars at the Department.
- b. These Seminars shall be open to all the faculty members and research scholars and arranged with the object of getting feedback and comments/suggestions from them, for being suitably incorporated.

Ph.D.-19 PRE-SUBMISSION SYNOPSIS PRESENTATION:

- a. The research scholar shall also present a pre-submission presentation before the Doctoral Committee, demonstrating his/her preparedness to submit the Synopsis to the University.
- b. The research scholar shall be free to submit the Synopsis to the University at this stage, together with the recommendations of the Doctoral Committee on the Open Seminars and the Pre-Submission presentation of the candidate, if both of them are satisfactory.
- c. However, if the performance of the research scholar in the Pre-Submission presentation is not satisfactory, the Doctoral Committee may point out the deficiencies, if any and ask the research scholar to repeat the presentation once more within three months. And, only on satisfactory performance at

this stage, the Doctoral Committee shall be free to permit the research scholar to submit the Ph.D. thesis.

Ph.D.-20 PERMISSION FOR SUBMISSION OF THESIS:

Considering the research work of the research scholar, his/her performance in the pre-submission presentation and other technical aspects, the Doctoral Committee shall be free to permit the research scholar to submit the Thesis.

Ph.D.-21 ANTI-PLAGIARISM CHECK AND SUBMISSION OF THE THESIS:

- a. The research scholar's thesis shall undergo plagiarism check as per the norms of SGU.
- b. The plagiarism shall be checked by software approved by SGU and the percentage of plagiarism (similarity Index) shall be as permitted by SGU owing to software limitation to identify the self-written research papers and definitions and common theory.
- c. The research scholar may be given two more chances by the University to re-submit the thesis for plagiarism checking, if the plagiarism level is found unacceptable.

Ph.D.-22 EVALUATION AND ASSESSMENT METHODS, MINIMUM STANDARDS / CREDITS FOR AWARD OF THE PH.D. DEGREE

Ph.D.-22.1 Minimum course work requirement is specified in Ph.D.-12.1

Ph.D.-22.2 After satisfactory submission of all progress reports, and recommendations from DRAC considering plagiarism check of the content in the thesis. DRAC will recommend the submission of Ph.D. thesis to academic council for its approval.

Ph.D.-22.3 Prior to the submission of thesis, the candidate shall make a Pre-synopsis seminar before respective DRAC in the Department. The pre-synopsis seminar will be open to all faculty members and research scholars, for getting feedback and comments,

which may be suitably incorporated into the draft thesis with the advice of the supervisor **ANNEXURE – VIII**.

Ph.D.-22.4 The respective Head of the Department shall notify regarding the conduct of pre-synopsis seminar at least **two weeks** in advance with a copy to Controller of Examinations. All the faculty members, research scholars and PG students from all the Departments shall be invited to attend the Pre-synopsis Seminar.

Ph.D.-22.5 Before recommendation for submission of thesis to DRAC, DRAC shall use well developed software and gadgets to detect plagiarism and other forms of academic dishonesty. While submitting for evaluation, the dissertation/thesis shall have an undertaking from the research scholar and a certificate from the Supervisor attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same Institution where the work was carried out, or to any other Institution.

Ph.D.-22.6 The Ph.D. thesis submitted by a research scholar shall be evaluated by at least two external examiners. The thesis shall be referred to the first two examiners from the panel as nominated by the Vice-Chancellor from the panel of names recommended by the Doctoral Committee. The COE as deemed necessary to enable the reports of the Examiners to be received as quickly as possible. The examiners are expected to send, in the prescribed form, their reports within two months from the date of receipt of the thesis. The examiner shall include in his / her report an overall assessment, placing the thesis in one of the following categories:

- a. Recommended for the award of the degree of Doctor of Philosophy: Highly commended / Commended
- b. Revision required.
 - (i) Revised Thesis be resubmitted
 - (ii) Revised Thesis need not be resubmitted
- c. Rejected

The examiner shall enclose a report in about 300 words, indicating the standard attained in case (a), the nature of revision in case (b) and the reasons in case (c).

Ph.D.-22.7 The viva-voce examination is based on other things, on the critiques given in the evaluation report, shall be conducted by the head of the department with Supervisor and at least one of the two external examiners should present for this examination. Members of the DRAC, all faculty members of the Department, other research scholars and other interested experts/researchers can attend this examination.

Ph.D.-23 SUBMISSION OF THE THESIS:

Ph.D.-23.1 A part time research scholar may submit his/her synopsis and thesis any time during the year, after the completion of minimum prescribed period of four years and one year after the successful completion of all pre-Ph.D. coursework. A research scholar shall submit to the COE eight copies of synopsis (about 2000 words) in order to start the processing of his/her thesis for the evaluation.

Ph.D.-23.2 The research scholar must have published at **least two** research papers in peer reviewed/ refereed international journals before the submission of the thesis for adjudication, and upload the evidence for the same in the form of acceptance letter or the reprint (pdf format). The paper accepted for publication can also be considered towards fulfillment of this requirement.

Ph.D.-23.3 The research scholar must submit in the FOUR copies of his/her Ph. D. thesis within two weeks of the submission of the copies of his/her synopsis along with prescribed Ph. D. thesis processing fees. The candidate must upload the copy of his/her Ph. D. thesis (pdf format) on the portal.

Ph.D.-23.4 After the successful completion of his/her Ph. D. program one copy of the thesis shall be kept in the University Library, one in the respective Department and one copy shall be returned by the University to each of the research scholar's research Supervisor/Co-Co supervisor.

Ph.D.-23.5 Guidelines for preparation of thesis: A research scholar submitting thesis for the Ph. D. degree is required to follow the instructions regarding the size, style and binding of thesis. The current guidelines are given in **ANNEXURE – I**. The University may review and make some changes in the guidelines as and when change.

Ph.D.-23.6 While submitting the thesis the research scholar shall indicate whether the work is based on discovery of new facts by the research scholar or of new relations of facts observed by others and how the work leads to the general advancement of knowledge. The research scholars shall further forward a statement indicating the sources from which information has been derived and the extent to which he/she has based his/her work on the work of others and shall indicate which portion or portions of his/ her thesis he/she claims to be original. Where a research scholar presents a joint work, he/she shall clearly state the portion which is his/her own contribution as distinguished from the portion contributed by his/her collaborator. This statement should be certified as correct by his/her research supervisor. The format of the certificate is given in the **ANNEXURE – IX and X**.

Ph.D.-24 VIVA-VOCE AND OPEN DEFENSE OF THE Ph.D. THESIS:

Ph.D.-24.1 Once the date of defense is fixed by the COE and communicated to all concerned, he shall notify the same indicating date, time and place where the open defense will be held, at least two weeks in advance.

Ph.D.-24.2 Head of the Department shall place a copy of notice of open defense indicating date, time and place where the open defense will be held, at least two weeks in advance. He shall also distribute/circulate this notice to other Departments at least two weeks before the scheduled date of open defense.

Ph.D.-24.3 The viva-voce of the Ph.D. scholar shall be arranged and conducted by the Head of the Department in the subject concerned who shall act as Chairman of the open defense committee. The invited external examiner and internal examiner (research supervisor/s) will be the members of the open defense committee. The external examiner and the internal examiner shall ask the questions to the defending

research scholar. In case the concerned Head of the Department is himself is research supervisor of the scholar being examined the Chairman will be appointed by the Vice-Chancellor on the submission brought before him by the COE.

Ph.D.-24.4 All the faculty members, research scholars and M. Tech. candidates from all the Departments shall be invited to attend the same. They may ask the questions to the defending research scholar with the permission of the Chairman. In case any dispute arises during the conduct of defense, the decision of external referee shall be the final.

Ph.D.-24.5 The research scholar must obtain the “Clearance Certificate” from all the Departments/Sections in the prescribed format of the University at least one week of scheduled open defense **Annexure -IX**.

Ph.D.-24.6 The Chairman of the open defense committee shall hand over the report duly signed by him and both the members of the open defense committee to the COE immediately after the conclusion of the open defense. The COE shall upload this report (pdf document) on the portal and shall issue the system generated provisional degree certificate to the research scholar after due verification of the contents **ANNEXURE – XI**.

Ph.D.-24.7 In case, the research scholar does not defend his thesis to the satisfaction of the open defense committee, the examiners may unanimously recommend with reasons that a fresh viva-voce and open defense of the thesis be organized within period of not less than **three months**. If the defense is still not-satisfactory the committee would record the reasons for the same and refer it to the academic council for its consideration and final decision.

Ph.D.-24.8 The public viva-voce of the research scholar to defend the dissertation/thesis shall be conducted only if the evaluation report(s) of the external examiner(s) on the dissertation/thesis is/are satisfactory and include a specific recommendation for conducting the viva-voce examination. If the evaluation report of the external

examiner of Ph.D. Thesis, is unsatisfactory and does not recommend viva-voce, the COE in consultation with vice chancellor shall send the dissertation/thesis to another external examiner out of the approved panel of examiners and the viva-voce examination shall be held only if the report of the latest examiner is satisfactory. If the report of the latest examiner is also unsatisfactory, the dissertation/ thesis shall be rejected and the research scholar shall be declared ineligible for the award of Ph.D. degree.

Ph.D.-24.9 The research scholar may be allowed to change the title of his/her research work subject to approval academic council provided he/she applies for the change at least **three months** before the anticipated date of submission of his/her thesis or earlier. The candidate shall submit his/her application duly recommended by the supervisor, through concerned DRAC.

Ph.D.-24.10 If there is a major change in the title or the change involves an altogether different topic from what was registered, the candidate shall not be allowed submission of his thesis unless he/she works for four more terms i.e. minimum prescribed period of Ph. D. study from the date of grant of such permission. The academic council will approve the title of the thesis on recommendation of DRAC, if there is change in the topic of research.

Ph.D. -24.11 The Vice chancellor will recommend to whom synopsis/thesis to be sent for the evaluation.

Ph.D.-25 AWARD OF Ph.D. DEGREE:

Ph.D.-25.1 Degree Certificates

- a. Upon the approval by the EC, the University shall issue a Provisional Ph.D. degree certificate to the research scholar certifying that the degree has been awarded in accordance with the "SGU Rules and Regulations Governing the Degree of Doctor of Philosophy (Ph.D.) 2019-20".

- b. The University shall award the Ph.D. degree certificate to the research scholar during the forthcoming Convocation.

Ph.D.-28 CANCELLATION OF REGISTRATION:

Ph.D.-28.1 The research scholar can opt for voluntary cancellation of Ph.D. registration on his/her own. In that event the application duly signed by the research scholar and duly endorsed by his/her research supervisor and DRAC shall be submitted to the COE. The research scholar shall personally appear before the COE and shall submit a declaration of cancellation in his own hand writing. The COE shall then endorse the declaration and forward the application along with the declaration to the academic council through the Registrar. The said registration shall stand cancelled from the date of approval by the academic council.

Ph.D.-28.2 If the research scholar is found to be guilty of commissions and omissions amounting to misconduct like indiscipline, dereliction of duties unbecoming behavior, insubordination etc., any time during the course of his Ph. D. program his/her registration may be cancelled on the receipt of report submitted by his/her research supervisor and duly endorsed by the DRAC.

Ph.D.-28.3 However, the DRAC before endorsement of such report brought before him by the research supervisor shall grant an opportunity to the research scholar for submitting his explanation and shall conduct such enquiry as deemed necessary. Such cases shall be placed before the academic council whose decision will be the final. Provided further that in the event the cancellation of registration such research scholar who has received scholarship/ financial assistance from funding agencies like UGC, AICTE, CSIR, University Fund etc., the amount so received shall be recovered from the research scholar.

Ph.D.-28.4 In case of the involvement of the research scholar in a criminal offence involving moral turpitude shall be treated to be a misconduct and his/her registration shall be cancelled with immediate effect on his/her conviction by the Competent Court.

Ph.D.-29 TREATMENT OF Ph.D. THROUGH DISTANCE MODE:

Ph.D.-29.1 Notwithstanding anything contained in these Regulations or any other Rule or Regulation by UGC, for the time being in force, NO University; Institution, Deemed to be a University and College shall conduct Ph.D. Programs through distance education mode.

Ph.D.-29.2 Part-time Ph.D. will be allowed provided all the conditions mentioned in the extant Ph.D. Regulations are met.

Ph.D.-30 BY LAWS:

Ph.D.-30.1 The DRAC will formulate required bylaws rules, procedures and formats for smooth operation of the Ph.D. program with the approval of the academic council within the frame work of these Regulations.

Ph.D.-30.2 Notwithstanding anything stated in these Regulations, for any unforeseen issues arising, not covered by these Regulations, or in the event of differences of interpretation, the decision of the Vice-Chancellor shall be the final.

Ph.D.-30.3 These regulations shall be applicable with immediate effect to all existing Ph.D. research scholars and research scholars who admitted in future.

Annexure - I: Guidelines for Preparation of Thesis

1. A candidate submitting thesis for the Ph.D. degree is required to follow the instructions (described in this section) regarding the size, style and binding of thesis. All copies of the thesis shall be presented in a permanent and legible form in typescript or print. Drawing and Diagrams should be in black ink. Paper of good quality and sufficient capacity of normal reading should be used. The size of sheets used should normally be A4. Margins at the binding edge shall not be less than 1.5" and other margins not less than 1". One and half spacing be used in type script, except for foot notes where single spacing may be used. The title page of the thesis shall give the following information in the order listed below:

1.1 The full title of the thesis and the subtitle, if any

1.2 The full name of the author/research scholar

1.3 Name of Ph.D. Supervisor

1.4 Name of Ph.D. Co-Supervisor, if any

1.5 The degree for which the thesis is submitted

1.6 The name of the University and the name of the School/Department

1.7 The month and year of submission

2. A table of contents shall immediately follow the title pages. If a list of tables and illustrations is provided, it should follow the table of contents and should list all tables, photographs, etc. in the order in which they occur in the text. Any acknowledgments shall be on the page following the table of contents. If the thesis contains any material which the author has used before, this fact shall be indicated in a declaration immediately following the acknowledgments. There shall be an abstract of the thesis. The abstract shall follow the acknowledgment and declaration. For abbreviations not in common use a key shall be provided with the full term followed by the abbreviations in brackets.

The order of the abstract, acknowledgment, table of contents etc should be followed as per the following order:

(a) Declaration

(b) Abstract

- (c) Acknowledgment
- (d) Table of Contents
- (e) List of Figures
- (f) List of Tables
- (g) List of Algorithms, if any
- (h) Nomenclature

3. The thesis shall be divided approximately into chapters, sections and subsections. The system of Headings should be consistent and should provide a clear indication of changes in content, emphasis and other features which occur at each stage of the work.

4. References cited in the text may be identified by numbers typed as superscript, or if on the line, in round brackets, immediately following the relevant work or phrase in the text or by citing the author's name and the year of publication in round brackets immediately following the relevant work or phrase in the text (e.g. Sharma M. M., 1982) or use IEEE format by citing author's name followed by reference number in square bracket (e.g. M.T. Telsang [2] or Telsang [2], for two authors Telsang and Kulkarni [2], for more than 2 authors Telsang et al.[2]).

5. Appendices shall follow the main text. The style of the appendices shall be consistent with the style of the main text. The list of references should be arranged in accordance with the system of citation used. While using numbers typed as superscript the references should be listed in the order in which they are identified in the thesis whereas, while using round brackets they should be listed alphabetically by the author's surname. In both cases the list should enable the reader to identify the work cited and to locate the specific pages referred to. If bibliography is supplied it should be arranged in a logical order, for example in broad subject classes and within each class, alphabetically by author.

6. Illustrative material such as practical, diagrams, maps, illustrations, computer printout, published papers and tables shall have a binding margin of at least 1" and should, if possible, be bound in the thesis nearer the appropriate text. Illustrative material which cannot be conveniently bound in text (such as large maps, slides, sound or videotapes, cine films) shall be packaged in such a way that it can be bound with the thesis. If the amount of such material is substantial, it should be gathered into a 'supplementary volume' and packaged in a rigid

container similar in format to the bound thesis. Unbound material and its packaging shall both be marked with the author's name, initials and the degree for which the work is submitted in such a way that it can be readily linked with the thesis and it shall contain appropriate instructions for use.

7. The copies of the thesis shall be bound in cloth covered boards with leaves permanently secured. The front cover shall bear the title of the thesis, the name of the author, the name of the degree for which the thesis is submitted, the name of the respective Department and the year of submission. The spine of the thesis shall bear the name of the author, the degree for which the thesis is submitted and the year of submission. This information shall be printed along the spine in such a way that it is readable when the volume is lying flat with the front cover uppermost. If the thesis consists of more than one volume, the front cover of the spine shall also bear the number of each volume.

8. While submitting the thesis the candidate shall indicate whether the work is based on discovery of new facts by the candidate or of new relations of facts observed by others and how the work leads to the general advancement of knowledge. The candidates shall further forward a statement indicating the sources from which information has been derived and the extent to which he/she has based his/her work on the work of others and shall indicate which portion or portions of his/ her thesis he/she claims to be original. Where a candidate presents a joint work, he/she shall clearly state the portion which is his/her own contribution as distinguished from the portion contributed by his/her collaborator. This statement should be certified as correct by his/her research guide.

9. The last page immediately after the references/bibliography should be the publication list by the research scholar from the PhD work.
