Department of Electronics and Telecommunication Engineering

Brief Report of Short Term Training Programme

“Emerging Research Areas in Electronics and Telecommunication Engineering”

Department of Electronics and telecommunication engineering department has successfully organized an ISTE approved one week training program titled ***“Emerging Research Areas in Electronics and Telecommunication Engineering”*** from **19th December 2016 to 24th December 2016**. The objective of the workshop was to promote research and also enhance awareness within the faculty regarding emerging trends in Electronics and Telecommunication engineering such as Digital Signal processing, Image Processing , Biomedical, Wireless and mobile Networking etc. Renowned and expert resource persons in the respective research areas were invited to interact with the participants and share their research experiences. To increase the impact and effectiveness of the training program, as far as possible lectures followed by practice sessions were planned. Prof.S.M.Hirikude and Prof.Mrs.S.C.Deshmukh Coordinated the STTP under able guidance of Head of the Dept. Dr.Mrs.S.R.Chougule and wholehearted support from Hon. Director Dr.V.A.Raikar and beloved Trustee Shri.Vinayak Bhosale.

Total 37 faculty members, PhD scholars participated in the STTP.

Resource Persons:

Dr.Y.H.Dandawate, Prof & Head E & TC Engg Dept., VIIT,Pune

Dr.M.S.Karyakarte, Prof & Head IT Engg Dept, VIIT, Pune

Dr.M.B Kokare, Prof & Dean R & D, SGGs, Nanded

Dr.Mrs.S.R.Chougule, Prof & Head E & TC Engg Dept, SGI, Kolhapur

Dr.Mrs.Manisha Jadhav, Prof. E & TC Engg, MMCOE,Pune

Mr.K.V.Sakhare, Asst.Prof, E & TC Engg Dept, PICT,Pune
