INTERNATIONAL IMMERSSION PROGRAM AT SINGAPORE

School of Commerce and Management organized its first International Immersions Program at Singapore from 2nd to 7th February 2018. International Immersion module is designed to give students an opportunity to broaden learning and deepen knowledge about an increasingly globalized environment. The students spend a week/two weeks time in the country They attend lectures on the country's business, economy and society with specific emphasis on issues affecting business and industry; go on field visits; attend cultural events and visit historical sites, local market areas to help them understand the intricacies of the country. This module provides an opportunity to SGU students to work in a group in a cross-cultural environment and learn how to address business growth in every aspect. The students visited URA Centre, JAMES Cook University, Kaplan Higher Education Academy (KHEA), Universal Studios ,Sentosa Island and Other key highlights of the Singapore City.
